Good Morning,

In order for us to perform a more expeditious review, please make your changes within the text and resend the entire manuscript. Since we anticipate that there may be multiple rewrites, this will facilitate this and any future reviews as we will need to compare text.

It was a pleasure meeting you last week. Please contact us if you have any questions [redacted] (b)(3) CIAAct

Thanks very much for meeting with Bill and me on Wednesday, and thank you very much for your hard work on my manuscript. We really appreciate it. We share the same goal – making sure that we do not publish anything that would damage the ability of the Central Intelligence Agency to carry out its vitally important mission or in anyway put the country at risk.
